Jason Culver Geary

APR 12, 1972 - JUL 3, 2023

Jason passed away on July 3, 2023. Jason is preceded in death by Father Patrick Geary (September 26, 2015) Mother Ann Geary (January 26, 2022) and Sister Kristine Geary - Hughes (August 3, 2022) and Survived by his Sister Lizbeth Geary

I wish I could share amazing stories about Jason, I wish i had a list of accomplishments and say he lived a full life. I cannot say those things, as he lived a life of self-destruction. Today we know where Jason is, and that dreadful phone call finally came. We can find comfort in the fact that he is no longer in pain.

Jason was a troubled sole with a brilliant mind. He had years of addiction problems that lead him to the life style he lived. He had numerous friends that loved him and wished he would find peace. Thank you to everyone that wanted the best for Jason, you did everything you could and more.

In lieu of a memorial, I ask that people consider donating to your local Alcoholics Anonymous (AA) programs, Suicide Prevention and Mental Health Associations, in Jason's name.

Jason's favorite song was Fleetwood Mac's - Landslide. I believe he sees himself in the snow - covered hills and the Landslide brought him down.

This saddened me to see that he had past away. I met him when he decided to stop by Lampe park during one of the Kid's Fishing Derby events about 20 years ago and became a volunteer helping with many things. May he rest in peace and be free of all of his troubles. Thank you for the great times up at the ranch, always had fun. To his sister, you can rest easy s you'll always know where he is and that he is ok. Until we meet again.

Although I know how self destructive he was, Jason really was also a gentle, generous soul. He was always kind, helpful and respectful to me. Addiction is such a terrible, tragic disease, heart wrenching for the whole family--I have been there too. I'm glad he is at peace and reunited with Ann and Pat, who he loved so much. Blessings to you, Beth, to your kids and Chris's too. Susan Ditz

I am incredibly sad to read this. Jason and I were friends and shared alot of feelings and confidences. Yes, he was troubled, but he had a huge heart and loved big and fiercly. He loved working on things...tractors, cars, etc. I am very sorry,Lizbeth, and Jason's other friends, for his loss.
