Charles "Chuck" Preston Pope

JAN 9, 1951 - SEP 19, 2024

Charles "Chuck" Preston Pope, age 73, passed away peacefully on September 19th, 2024, at Carson Tahoe Regional Medical Center, surrounded by his loving family. A devoted husband, father, grandfather, and man of deep Christian faith, Chuck leaves behind a legacy of love, service, and a profound appreciation for the great outdoors.

Though we mourn his loss, we rejoice in the knowledge that he has been welcomed into the arms of the Savior. As 2 Timothy 4:7 says, "I have fought the good fight, I have finished the race, I have kept the faith." Chuck has finished his race, and we take comfort in the promise of his eternal reward.

Born on January 9, 1951, in Palo Alto, California to Jim and Eva Pope, Chuck lived a life rooted in faith, integrity, and passion for nature. He shared 50 wonderful years of marriage with the love of his life, Marilyn, with whom he built a family centered on love, faith, and togetherness. Chuck was a proud father of two children: Justin and Rebecca. He was a devoted and loving grandfather to his five grandchildren Makayla, Weston, Jayden, Eva and Reagan.

Chuck had a deep love for the outdoors, which guided both his career and personal life. He retired in 2006 after more than 30 years of dedicated service with the Bureau of Land Management, where he worked to protect and preserve the lands he cherished. His passion for conservation continued through his work with the Nevada Land Trust, furthering his commitment to safeguarding open spaces and natural resources for future generations.

At Hilltop Community Church, Chuck was a faithful servant, helping on the Elder Board and Mission Team. He also served as a Shepherd in one of the church's small home fellowship groups for many years. In the Douglas County community, Chuck loved helping at the Backpack Buddies Program, assisting children in local schools. Chuck loved fly fishing, cycling, running, backpacking and hiking.

Chuck was my supervisor leading up to his retirement in 2006. He was one of the good ones.

I went to high school with Chuck. We ran track together. He had the best running form of anybody on the team. watching him run was like watching a gazelle. We were all envious. Sadly, we did not keep in constant contact after high school, although we crossed paths a few time in college and working for the Bureau of Land Management. He was a great guy. The eyes and the smile in the photo are just the way I remember him. May the memories of his life be a comfort to all he loved and who loved him. Rest in peace my friend. Mike Ferguson
