My dear friend, Aunt Barb ...One of the funniest times I had with you was when we took a sewing class together and I was having trouble with my machine cooperating. Hmm, maybe it was just my lack of concentration that day. Remember? You instructed me to lift my foot (little did I know WHICH FOOT) ... so I literally lifted my foot off the floor! I THOUGHT YOU WOULD ROLL OUT OF YOUR CHAIR LAUGHING!!! Actually, the whole class got a good laugh at my expense. Oh, that's okay ... I deserved it.Barb, you were always there for me, no matter what. and you filled a space in my heart that no one has come even close to. I miss our talks on the phone when you were able. Heck, I simply just MISS YOU!God bless you my dear friend ... until we meet again!Rest well ❤️
