Stephen is more a brother, than a cousin. I will always remember his joy, his smile, his laugh, his kindness, and generosity. But most of all, I will remember his bear hugs. Time with family was always more fun when Stephen there. I will miss him everyday. I pray he is resting peacefully with all our heavenly family. I love you Stephen. I cannot wait to hug you again. ❤️ 😊

What a special young man Stephen was. He will always hold a special place in my heart. First time I met him was in 2005, when my daughter Mindy moved in with him. In 2006, I found out I was going to be a grandma for the first time. I also thought I would be gaining a Son-in-law, Stephen. Life happend and we loss Natalya, their daughter in 2007. Soon, Stephen and Mindy went their separate ways. Then in 2018 we loss Mindy.However, it is amazing how life comes in a full circle. In 2021 Stephen and I crossed paths at the Calvary Baptist Church and rekindled our relationship. What a blessing it was to have Stephen in my life once again. I know that Stephen. Mindy and Natalya are once again together. That brings me peace.Loved you Stephen.My condolences to the family.Margaret

Steven was my cousin, and our families were very very close. some of my favorite memories are sitting around the dining room table, having dinner with our families laughing joking and being so loud, we always tried to talk over one another. It was hilarious. The most thing I will miss about Steven was the sparkle in his eyes and his laugh. I know I will see you again in heaven until then give all of our family and friends a hug for me. Be peace, my dear cousin. I love you Tami
