Kimberly Ann Morrow

SEP 22, 1966 - MAR 16, 2026

With heavy hearts, we announce the unexpected passing of Kimberly Ann Morrow, a beloved wife, mother, grandmother, family member, and friend, on March 16, 2026 at the age of 59 in Portola, California.

Kim was the devoted wife of Terence Michael Morrow, whose life was deeply enriched by her love, strength, and unwavering support. Their marriage was a testament to partnership, faith, and enduring commitment.

She was known for her kind heart, generous spirit, and the way she made everyone feel welcomed and valued. Whether through quiet acts of care or shared laughter, she left a lasting impression on all who knew her. Her presence brought warmth to every room, and her absence will be deeply felt.

Kim cherished time spent with family and friends and found joy in hiking through the hills of Portola, California, hunting for heart shaped rocks, and sharing her joy of hiking with her family and pets (Gizmo and Gus). She most recently conquered her fear of flying by taking trips with her husband to the Bahamas and visiting family in Texas. She lived her life with purpose and grace, guided by her faith and love for others.

She is survived by her loving husband, Terry; her daughter Hailey and granddaughter Avery; her daughter Emily and grandson Hunter; her parents Peggy and Thomas Brannon; her siblings Sarah and Adam Nelson, Jenny and Donald Cabral, Becky and Steven Souza, Tammy Brannon, Luke Brannon and James Brannon; and many nieces and nephews, dear friends and her extended family who will continue to honor her memory.

A service will be held on Friday, April 24, 2026 at 11:00am, at Eastside Memorial Park Minden, Nevada.

There are some people in this world who leave a mark so deep, so lasting, that even when they're gone, their presence never truly fades. My sister Kim was one of those people. She was more than family—she was a piece of my heart, a part of my story, and someone who knew me in a way no one else ever could.

She was there in the chapters that shaped me, and because of her, I am who I am today. My sister had a light about her. It showed in the way she smiled, the way she cared, and the way she made people feel seen and loved. She had a strength that carried her through life, and a kindness that touched everyone lucky enough to know her. No words can fully capture what she meant to me. There are memories that will forever live in my heart—moments I will replay, stories I will tell, and pieces of her I will carry with me always. Though I wish more than anything that I could have one more conversation, one more laugh, one more moment, I am so grateful for every second we did have. Losing her leaves a space that can never be filled, but her love remains. It lives in the lessons she taught me, the memories we shared, and the bond that even death cannot break. I will miss you every day. I will carry you with me in everything I do. And I will honor you by living a life that reflects the love you gave so freely. You were, and always will be, my sister—my heart, my forever.

Where do I even begin? I knew you my entire life. So many memories. So much love. Thank you for showing me light when I was surrounded by darkness. You gave me faith and guided me closer to god when I lost my baby. He knew I needed you. My love for you will never fade. I'm thankful that the last thing I said to you was "I love you". I'll see you again in heaven. I just wish it wasn't so far away. I love you auntie kim forever and always. ❤️
